QSIA Appoints Acting President

Michael Gardner has been appointed Acting President of the Queensland Seafood Industry Association (QSIA).

This follows former President Neil Green stepping down from the position.

The QSIA Board of Directors elected fellow Director Michael Gardner till the AGM later this year.

The Board unanimously thanked Neil Green for his dedication to the seafood industry in Queensland and the enormous contribution he has made for many years.

“We are grateful still to have his advice and wise counsel available to us at a time when the industry continues to face significant challenges,” Michael Gardner said.

“The Annual General Meeting will be scheduled for later in 2009, when members will elect their new President.”

For all enquiries please contact Acting President Michael Gardner on 0409 991 150 or Executive Officer Winston Harris on 0418 448 616.
